

PAMELYN MORGAN

Occupation: Legal Process Clerk II

Age: 57

I am running for Shasta Lake City Council because I feel I can bring a good, respectful attitude to the Council. I am married and my husband and I have four sons and six grandchildren.

I have an AA in Business Administration with a certificate in Accounting. I graduated Mare Island Naval Shipyard's Apprenticeship Program as an Electrician. I worked there for eight years. When Mare Island was closing I was transferred to Marine Corps Recruit Depot, San Diego as a Maintenance Electrician. I worked there for nine years. I was fortunate to be hired by the Shasta County Public Defender Office in 2004 when the office was formed. I have worked there since as a Legal Process Clerk/Receptionist.

I was Treasurer of the Shasta Lake Youth Soccer League for three years, where I was responsible for bringing their tax filings up to date. I also worked in their concession stand and with registering children to play on our league. I also enjoy helping out the Shasta Lake Fire Fighters Association with the pancake breakfasts.

I look forward to representing all of the citizens of Shasta Lake as a member of their City Council.
