

ROSE B. SMITH

Occupation: Retired School Secretary/ Account Clerk

I have been a resident of the City of Shasta Lake for 23 years and have served as a board trustee for our local school district for 15 years. I have recently retired after working 22 years for local school districts as an account clerk and secretary. This experience as an elected official and as an employee has given me an excellent understanding of government budgets and operations. I have experience dealing with the continual changes that affect our local agencies due to decreasing income sources and changing regulations and have helped make decisions that benefit the people that we serve as well as remaining fiscally responsible. My experiences have also shown that I am an effective and compassionate mediator when dealing with confrontational situations and issues. When making decisions I use research, input from citizens and staff, and common sense.

Everyone has a spot in our community, young and old, old timers and newcomers and I encourage our citizens to utilize their time and talents in making our community the best it can be. I would appreciate your vote and look forward to working for you. Let's make it work!
